Subject: Tentative Approval to Commence Large Mining Operations, Progressive Contracting, Inc.,  
PCI-Ft. Pierce Quarry, M/053/0081, Washington County, Utah

Dear Mr. Limb:

The Division of Oil, Gas and Mining tentatively approves the Notice of Intention to Commence Large Mining Operations (Notice) for the PCI-Ft. Pierce Quarry mine. The notice of tentative approval will be published in the appropriate Salt Lake City and Washington County newspapers (copy attached). This will begin a 30-day public comment period. The Division will also notify the Resource Development Coordinating Committee (RDCC). If no substantive comments are received during the public comment period, the Division will then issue its final approval for this project. Changes to the Notice may be needed if substantive comments are received.

Prior to issuing final approval, the Division requires that you provide:

1. Two copies of the complete and corrected plan. When final approval is issued, one copy will be stamped "approved" and returned to you for your records;
2. A Reclamation Contract (Form MR-RC) and reclamation surety will need to be provided. The surety amount still needs to be agreed upon.
3. If available, an electronic copy of the mine disturbed area in the original AutoCAD, shape, or other file format. Please include the projection and datum information with this file.

Thank you for your cooperation and patience in completing this permitting process. Please contact Lynn Kunzler at 801-538-5310 or me at 801-538-5261 if you have questions regarding this action.

Sincerely,

Paul B. Baker

Minerals Program Manager
